ACADEMIC YEAR: FALL 2015 - SPRING 2016

Housing License Period: August 1, 2015 – May 31, 2016

1. HOUSING RATES
For specific rate information, please refer to the 2015-2016 Graduate Housing and Meal Plan Rates available online at http://housing.temple.edu

2. HOUSING DEPOSIT
Students will submit a housing deposit of $250 which is applied to the students’ account for the first semester billing for residency in University housing. Students who reapply for University housing will be asked to resubmit a $250 advance payment each year. A housing deposit is required by all students to process a request for University housing.

3. BILLING AND PAYMENT
If paying by check or money order, they must be made payable to “Temple University”. The student’s account will be billed on a semester basis. All payments are made directly to the Temple University Bursar’s Office. The name and student TU ID number should be on any check or money order submitted to Temple University. Any outstanding balance (including unpaid late fees) may result in the student being removed from Housing, and their account forwarded to Temple University’s Credit and Collections Department. The student’s account will be assessed a fee for checks returned for insufficient funds. The student will be responsible for collection and litigation fees arising from a delinquent account.

Students will be responsible for all charges during the occupancy period. Charges are only prorated if the student has been officially released from the Graduate Housing and Residential Life License by the University. Housing charges will not be prorated if the student elects to move in after the start of the license period. University Housing and Residential Life provides no subsidy or other special financial assistance for fourth-year Podiatric students participating in clinical rotations.

4. TERM (LICENSE PERIOD)
License will become effective August 1, 2015 and will end on May 31, 2016 for the fall 2015 – spring 2016 academic year.

5. ELECTRONIC AGREEMENT OF THE TERMS AND CONDITIONS
Students who reapply to University housing for the 2016 - 2017 academic year may be offered the opportunity to extend this license through July 31, 2016. Students who do not reapply to University housing for the 2016 - 2017 academic year can request an extension of their current license period. No extensions will be allowed beyond June 30, 2016. This request must be made formally by completing the “Graduate Housing Summer Intent Form” available in the Office of Assignments and Billing and submitting it to University Housing and Residential Life no later than April 30, 2016. Only those students with written approval for an extension by University Housing and Residential Life will be permitted to remain in University housing. If approved, the terms and conditions of this license will apply through June 30, 2016.

Students not returning and who do not move out by May 31, 2016 are subject to financial penalties and potential judicial action by the University.

Students will submit their Graduate Housing Application through MyHousing via the TUportal. Students are held responsible to all of the Terms and Conditions of the Graduate Housing license. The authentication procedures serve as an electronic signature for students. Submitting Housing Application information electronically legally and financially obligates a student for the fall 2015 - spring 2016 license period. Electronic submission of Housing Application information does not guarantee confirmation of a housing assignment. A print version of the Graduate Housing License is available on the Forms Page on the MyHousing website.

1. the student fails to pay fees or other charges when due.
